I. Docket No. 2261 of 1st September 1905, from the Secretary to Government, General and Revenue Departments, forwarding the District Medical and Sanitary Officer's inspection notes of the tanneries in Devarajeebanahalli, Bangalore Taluk, and requesting to cause the necessary improvements effected thereto, and to submit the District and Taluk Boards' resolution on the feasibility or otherwise of the proposal to remove the tanneries to a distance from the village.

Proposed that a Committee be formed to inspect the place thoroughly and submit proposals for a model tannery at the next meeting.

II. Docket No. 3101—L. B. (120-6)-2, dated 25th October 1906, from the Secretary to Government, General and Revenue Departments, forwarding copy of letter No. 1220, dated the 17th September 1906, from the Military Assistant to Government, requesting sanction for the opening of four cattle-pounds in the Hessarghatta Grass Farm, and for placing them under the charge of Farm Assistant, instead of the patels of the villages, and requesting the submission of the Board's resolution with the President's opinion in the matter.

The Board is of opinion that the present two cattle-pounds are sufficient to meet all requirements and that they should be left in charge of the patels to facilitate inspection by the Revenue Officer.

III. Docket No. 4409—1255, dated 8th October 1906, from the Executive Engineer, Bangalore Division, regarding the improvements to be effected to Gudemaranahalli-Magadi road, and calling for opinion as to the advisability of improving this road in the Magadi town from a special grant.

Resolved that a special grant of Rs. 390 be made for this year.

IV. Government Proceedings No. 3445-6—L. B. (2-06)-4, dated 2nd November 1906, declining to sanction the opening of a Hindu Vaidyasala at Chickamaralvadi in the Kankanhalli Taluk.

Recorded.

V. Government Proceedings No. 3455-65—Med. (297-05)-4, dated the 2nd November 1906, forwarding Senior Surgeon's letter No. 920, dated the 7th June 1906, bringing to notice certain defects in the midwifery arrangements existing at present, and recommending as a remedial measure that mileage may be granted to midwives for journeys performed by them to conduct cases outside their head-quarters, and requesting to place the matter before the Board and to submit the Board's resolution in the matter with the President's opinion.

The Board is of opinion that provision may be made for this at the rate of 1½ annas per mile for any distance exceeding one mile from their Municipal limits, and that where conveyance is not supplied the patel's certificate may be accepted.

VI. Government Proceedings No. 3631-21—Medl. (97-06)-2, dated 5th November 1906, *in re* the establishment of Branch Dispensaries in certain places, and requesting to place the matter before the Board in order to ascertain their views as to the utility of the Branch Dispensaries and their willingness to bear the charges for establishment and medicine, and to submit the Board's resolution with the President's opinion thereon.

Resolved that the Hospital Assistant should visit the places once a week as per revised list now attached, and that the Board is willing to bear the charge of medicines but fail to see the necessity of an extra establishment as the Hospital Assistant can take his compounder with him, whose travelling expenses the Board is willing to bear.

VII. Government Proceedings No. 4199-201—L. F. (165-06)-2, dated the 21st November 1906, regarding the temporary removal of the Dispensary from Vartur to Whitefield, and requesting the Senior Surgeon to ascertain from the President the views of the District Board and to submit a further report in the matter.

Board is of opinion that there is no objection for the removal of the Hospital as a temporary measure during the prevalence of plague at Vartur, but that it should be removed back as soon as plague subsides.

VIII. Superintending Engineer's letter No. 6581 of 20th November 1906, stating that the project of constructing a girder bridge across the Hoskote Fort ditch on the Sulibele road at an estimated cost of Rs. 6,714 is unnecessary and inadvisable under the present state of District Funds; and requesting to be informed if the project may not be dropped. If agreed to by the President he would arrange for the carrying out one of the alternatives mentioned in para 2 of his letter.

Resolved that as the money is more urgently required for other purposes that the question of the bridge may lie over for the present and a road dam made for a hot-weather road.

Resolved that the next meeting be held on 15th February 1907.

H. H. SPARKES,
President.

District Treasury Officer, Bangalore, within one month of this date, failing which they will be destroyed.
